RETAINED SERVICES

Do you need:

- Additional short-term **ENGINEERING OR MANAGEMENT RESOURCES?**
- Would you like these resources to be **AVAILABLE ON DEMAND?**

We can help you achieve all the above and more!

Our retained services scheme gives you access to top class engineering or management resources which would be available to you on demand at a considerable saving when compared to services charged using our normal day rate. This gives you ultimate flexibility with the following additional advantages:

- Provides an opportunity for us to deliver a better service resulting from our increased knowledge of:
 - Your people.
 - Your products.
 - Your business.
- Enables you to focus additional management effort on specific business issues **as they arise** with guaranteed availability of the additional resources, within the scope of the agreed working arrangements.
- For equipment suppliers, provides a competitive edge when dealing with both existing and potential customers, where they require additional resources to justify additional equipment or enhance the performance of equipment already supplied.
- Provides the opportunity for you to extend your marketing reach via links between websites.

DELIVERABLES

- Up to 20 days support per annum, available on an “as required” basis.
- Ad hoc advice available by ‘phone or email at no additional cost.

TERMS

- £8000 per annum payable in advance (a cost saving of up to £1500 compared to normal day rates).
- Terms for additional work to be negotiated, based on the scope of the work required.

We operate through a Limited Company with all work covered by Professional Indemnity Insurance.
